

The **Coach Profile** provides students with information about the coach before the program commences, such as:

- their name,
- what they look like, and
- a few details about why they enjoy sport

This helps to provide initial familiarity, and reduce stress and anxiety when the program commences.

HOW TO USE A COACH PROFILE

Coaches

1. Save the *Coach Profile* to your desktop
2. Open the *Coach Profile* - complete the editable sections and upload an image (headshot recommended)
3. Save the completed *Coach Profile* to your desktop
4. Email the *Coach Profile* to the school

Teachers

1. Print the *Coach Profile* and display it in your classroom
2. The *Coach Profile* can be used to discuss the upcoming lessons with your class
